

**Instructions:**

Prevent irritation and problems arising from ticks, fleas, mites and lice. Give your dog preventative treatment. Finecto<sup>+</sup>Dog is a 100% natural dietary supplement made using herbs and essential oils. Contains no toxins or other chemical substances. Finecto<sup>+</sup>Dog can be added to your dog's daily meals and has a pleasant taste. Finecto<sup>+</sup>Dog ensures that your dog becomes an unattractive target for these ectoparasites. Finecto<sup>+</sup>Dog offers 95% protection. This can be achieved within 4 days. And your dog will smell better too.

**Instructions/dosage:**

Administer Finecto<sup>+</sup>Dog for the duration of the tick season and in cases of irritation caused by fleas, mites or lice. Add the recommended dosage as shown here below to your dog's food on a daily basis.

Bodyweight	Amount	Jar contents
0 - 8 Kg	1 spoon per day	300 days
8 - 16 Kg	2 spoon per day	150 days
16 - 24 Kg	3 spoon per day	100 days
24 - 30 Kg	4 spoon per day	75 days
> 30 Kg	5 spoon per day	60 days
