

Finecto+[®] Horse

FOR HAPPY HORSES AND PONIES WITHOUT STAMPING AND ITCHINESS

Aromatic animal food supplement

100% natural, no poison

Batchnumber: See bottom
Use until: See bottom
Content: 3000 gr.

Usage:

Prevent stress and problems with flies, gnats, mites and horseflies. Treat your animals preventatively. Finecto+Horse is a 100% natural animal food supplement based on aromatic substances for horses and ponies. Contains no poison or other chemicals. Finecto+Horse can simply be added to the daily feed and is absorbed well. Finecto+Horse ensures that your animals become unattractive to insects and ectoparasites and prevents itching as a result of summer eczema or stamping due to scabies mite.
